1. President's annual report

The UFC Bylaws require the President to "prepare and submit an annual report of UFC activities at an annual meeting."

Since we are holding this meeting in the middle of Spring (and especially since contract bargaining is ongoing) I won't present that report here.

Unless there is a need for us to meet again (e.g. if there is a tentative contract), **I will submit my report to the membership via email before the end of the quarter**, and will schedule a Zoom session for members to ask me any questions about it. (Or you can just come and keep me company.)

2. Emergency Assistance Fund

The UFC Emergency Assistance Fund is now recognized by both the State of Washington and the IRS as a **501c3 tax-exempt public charity organization**.

AND... you can now set up through direct donations from your paycheck, via the **Washington State Combined Fund Drive!**

IT'S EASY! Just go to give.wa.gov, search for "UFC Emergency Assistance Fund", and follow the directions!

5. Fall 2021: discussion

The University currently is planning on a return to campus, as much as possible, for Fall 2021.

UFC bargained an MOU with CWU last June which protected faculty health and safety during the 2020-21 academic year.

We will enter discussion with CWU in the coming months, with the goal of another MOU concerning (at least) Fall 2021.

Looking ahead to Fall 2021... Are you comfortable returning to campus? Or do you have concerns?
