- Approval of agenda
- Issues continuing from last year
 - Interfolio software for review, promotion, and tenure: in May it was said that the new Interfolio software will have been released by August; and that the Provost's office would request that CWU be involved in testing it.
 - NTT faculty development fund requests: should there be more specific criteria?
 - Teaching of UNIV 101 by advisors still needs to be addressed.
- New issues this year
 - Overload pay. There appears to be a pattern of faculty on overload not receiving any overload pay in their first paycheck.
 - The questions about the compression & equity process from faculty in ITAM.
- New business
- Next scheduled meeting: February 28, 2020, 3pm, in Barge 304
- Adjournment
